Dear Sir,

NDML NAD team would like to congratulate '**Dr. C. V. Raman University**' for successfully uploading certificates in NAD.

We request you to lodge the complete data in NAD and also ask your students to register on NDML NAD. Student can view his certificate if data is uploaded with NAD ID.

We suggest the following course of action to facilitate student registration:

1. Dr. C. V. Raman University to issue Circular / Notice / Emails to Students to register for NAD at <https://nad.ndml.in/NAD/newStudentRegistrationScreen.html> . If you share the email ID with us, we will also send emails from our side also. However, an email from the University would immediately result in action. Students should be clearly advised to register and indicate Alliance University as their Academic Institution
2. Dr. C. V. Raman University, Guntur can also adopt a requirement of indicating NAD ID for all students in Admission Form / Examination Enrolment form. This will ensure that all awards issued henceforth are already linked to the concerned student.
3. Once students register on the system, we will provide the data of registrations to you for review and approval.

A special word of appreciation for **Mr Abhishek Shukla** for his full support in lodging the data.
