## Organizational chart and processes

The organizational structure of the institute will be as following:

According to organizational structure, the day-to-day activities will be managed by all the key persons. Under these key persons different committees like academic committee, student welfare committee, sports and excursion committee etc. will be formed and they will also help in different operations.

The key persons and different committee members will meet in a week to maintain a proper discipline.

### **Nature and Extent of involvement of faculty and students in academic affairs/improvements**

The Society intends that academic program which will start basically with under graduates program shall be expanded to specialized courses at post graduate level and also to a separate research centre in higher technical education. The society is very cautious, careful and concerned about the quality of education for which periodic popular lectures by renowned experts in the area shall be arranged, workshop on engineering concepts shall also be conducted. Experimental protocols shall be arranged, where instruction and demonstration shall be gathered from subject experts. Similarly, to introduce the relevant recent advances in the subject every year based on different themes, seminars and symposium shall be arranged. Nevertheless, all these Programmes would be relevant after institution starts giving education in various post graduate Programmes.

#### ☞ **Mechanism/Norms & Procedure for democratic/good Governance**

The Mechanism will be exclusively of decentralized working type so that working could be shared with identified responsibility and converging for reporting in an ascending order in order to allow the information in composite and decisive status of an event available to the apex personal i.e. director of the institute. This will help in resolving and dissipating the problems immediately at the level of occurrence. Thus accumulative possibility of cropping up major problems could be obviated.

#### ☞ **Student feed back on Institutional Governance/faculty performance**

Institute conducts feedback session after completion of each unit & we also have tutor guardian system.

#### ☞ **Grievance redressal mechanism for faculty, staff and students**
