

MUN SOCIETY

The Dr. C.V. Raman University Modal United Nations Society focuses on enhancing skills like critical thinking, public speaking, group communication, research, policy analysis, active listening, negotiable, conflict resolution, note taking and technical writing. The society encourage the UN code values of Integrity, Professionalism and Respect for Diversity and aims to create better leaders for the global community.

Its activities include organizing and hosting workshops, debates and MUN conferences. The MUN Society also facilities students in attending MUN conferences by other universities and MUN Associations. Many members have participated in conferences at the national level and earn accolades for the University.
